

Thanks for contacting us about your upcoming wedding. We offer a weekend wedding retreat that includes all our amenities from 2 pm on Friday until 5 pm on Sunday...a nice relaxed 51 hour lease to enjoy time with family and friends in a serene setting at the confluence of the four tributaries of the Queens Creek in the Mills River community, just south of Asheville.

The all-inclusive arrangement includes both of our cabins, the chapel, the pavilion (open air, covered, and 2816 square feet), our two lakes for swimming and boating, and camping for family and friends.

For those who cannot camp a discounted rates at the Clarion Inn Airport is available. Just mention that they are attending a wedding at Deerfields and ask for the Deerfields rate. You may receive the discount for room blocks, or individual guests may for making reservations to attending your event at Deerfields.

The Retreat cabin, dating back to 1850's and relocated to the property in 1954, offers a loft with a King bed, and a bedroom with a Full bed, a nice size kitchen, and a great wrap around covered porch.

Linens are included. This is a great focal point for the bride and groom to greet guest, and to enjoy coffee the morning after with those who have stayed the night or have come back to visit.

The Lodge is a four bedroom log house constructed from materials from the property in 1935. It features a large living and dining are perfect for an extended family, a kitchen set up for large family meals, one full bath and two 1/2 baths, and two porches for relaxing.

Our outdoor chapel is nestled in the woods edge with a view over our valley and creates a nice effect for your wedding photos. There is plenty of room for 200 + guest to sit and stand in and about the space. You can offer a shuttle up to the site for those who need it. Please see www.deerfields.com for photos of some of our happy couples using the Chapel, and other locations for their wedding. We do encourage couples to find the 'spot' that is right for them on the grounds though. Many weddings have blessed multiple spots throughout Deerfields.

The pavilion is a terrific reception site with views of both of our lakes. This space comes with 10 60" round tables, two buffet tables, iPod capable sound system, bar, staging for a band, and lighting on dimmers to set the mood. Chairs and linens are not included and would need to be rented from an outside source. You may bring in outside catering and alcohol. Deerfields can provide a bartender for an additional fee. There are no curfews on the reception or rehearsal parties so enjoy your time and use it as you may.

We also provide parking help the few hours before the ceremony to keep the parking organized, and direct campers to the weekend camping area.

To make an appointment to tour the grounds and discuss pricing please call John J. Redden at 828-329-5003 or reply to this email.

Thank you and take care...John J
